CHAIRMAN'S MESSAGE

Dr. Zakir Hussain, M.A., MPhil, PGDM, BJMC, LL.B., Ph.D.
CHAIRMAN & MANAGING TRUSTEE

Dear Student,

In the era technological transformation in the field of pharmacy, there is an ever increasing need for high quality education and research institutions for producing highly trained professionals. NEF College of Pharmacy, Guwahati has been established with the sole aim of producing next generation pharmaceutical professionals and it shall strive towards fulfilling it.

We at NEF strive to build and boost the physical, intellectual and psychological strengths of the students so that they are better equipped to deal with the real life challenges. With a pool of highly qualified and dedicated faculty members, students are offered the necessary guidance, knowledge and emotional support needed to sail through the thickest of waters and come out successful.

As a Chairman of NEF Trust, I anticipate full co-operation of the student fraternity and their guardians in this noble endeavor of ours. This would go a long way in realizing our dreams and encourage us to work with renewed vigour and enthusiasm and come up with more such ventures to continue serving the society. Achieving perfection is always a continuous journey of efforts towards it. As such I look forward to your valued suggestions to transform this College to a centre of excellence.

I am sure when you join this College you will become a part of this glorious tradition of growth and excellence.

Sincerely yours

(Dr. Zakir Hussain)

PRINCIPAL'S MESSAGE

Prof. (Dr.) Bhupen Kalita, M. Pharm, Ph.D.
PRINCIPAL

Dear Student,

I am glad to say few lines about the noble profession of pharmacy and about life at NEF College of Pharmacy.

The Pharmaceutical sector is in great demand of skillful and knowledgeable pharmacists in industrial and healthcare units and also in the expanding Pharma R & D organizations. Pharmaceutical sector comprises drug production, quality control, packaging, marketing & distribution, community and hospital pharmacy. Also the drug regulatory government bodies offer lucrative carrier opportunities as drug controller, inspector of drugs and food, government analyst, toxicologist and various administrative positions. Pharmacists with higher educational qualifications have bright career opportunities in pharmacy educational institutions.

The whole medical science is for healing and caring humanity and drugs are the essential requirements in health management and pharmacists are the technically knowledgeable people who design, develop and manufacture drugs. The current trends in healthcare are personalized medicine, genetically engineered drugs and biopharmaceuticals. Also, since last decade pharmacists play an important role in pharmacovigilance, clinical pharmacy practice, digital health care services which are the newer avenues. As a result the pharmaceutical sector is also expanding and requiring huge pull of pharmacists. The society is also in need of pharmacy professionals for efficient patient counseling, medication review and dispensing drugs with zero error. This imparts responsibility to the academic institutions to satisfy the demand of the industry and the society. Bearing such important responsibilities, our institute aims not only to produce pharmacy graduates but also to mould ideal Pharmacy professional who can cater the needs of society and the challenging Pharmacy profession. Our college is provided with the state of the art infrastructure, young dynamic and meritorious faculty, well-furnished and equipped laboratories with modern instruments, rich archive in library, computer lab with Internet facility. Apart from the curricular aspects, we provide the students ample opportunities to nurture their talent in sports and cultural activities and also put lots of emphasis on personality development for overall grooming of the students so as to make them locally as well as globally competent. College has been also providing special coaching for competitive examinations such as GPAT. We also have a very proactive training and placement cell for carrier guidance and placement of the students.

We need to choose the best place where we can shine and NEF College of Pharmacy is the leading pharmacy institute in the heart of Guwahati city where students can explore and pursue a bright career in pharmacy. So, I welcome you on behalf of NEF College of Pharmacy to build your career in the Pharmacy Profession.

CODE OF CONDUCT

The College aims at providing education with high moral values. Only the sincere students who are committed to hard work in studying need to apply. The students are expected to maintain strict discipline and order in and out of the campus. In furtherance of its commitment to the environment of honesty, fairness and mutual respect, the College takes serious cognisance of acts of academic/ professional misconduct that include cheating on academic exercises, plagiarism, misrepresentation etc. They should devote their full attention to study and should not waste time unnecessarily. All the students will be governed by the rules, ordinance and regulations framed by the University / College and amendments to be effected from time to time. As per the resolution of the Governing Body of NEF College of Pharmacy, Guwahati under no circumstances, the students can claim the right to form Students' Union Body.

Students should not indulge in–

1. Ragging
2. Teasing or intimidating
3. Addiction to Drugs or Alcoholism
4. Quarrelling or fighting
5. Any other activity involving moral turpitude or criminal action etc.

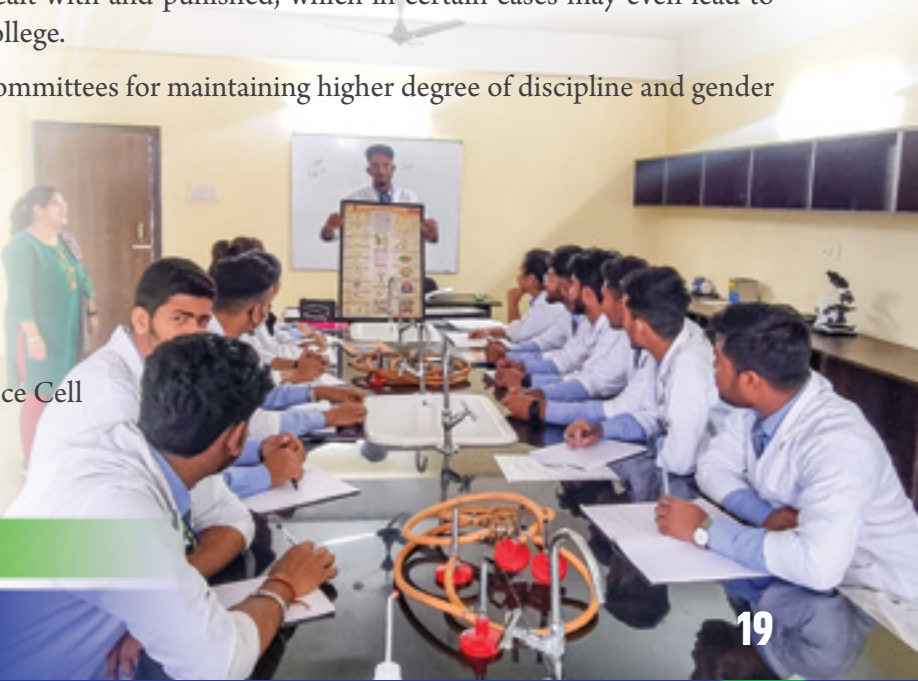

Moreover, given the seriousness of issues like sexual harassment and ragging (especially in the light of judgments delivered by the Supreme Court of India in *Visakha v. State of Rajasthan* and PIL by Vishwa Jagriti Mission) the College considers these to be acts of grave misconduct.

Students found guilty on any of the above causes will have to face panel action such as Cancellation of Admission or expulsion from College.

The College views ragging as a social menace and in the light of the Supreme Court of India Order, May 2007 (based on Raghavan Committee Recommendations) on prevention of ragging in Educational Institutions, NEF College of Pharmacy, Guwahati has formed an Anti-Ragging Committee and Anti-Ragging Squad with the Principal in the chair. The Committee has teaching staff as well as representatives of students as its members. The Committee shall ensure that no student is being harassed in the name of ragging. Students who are found to be involved in ragging shall be strictly dealt with and punished, which in certain cases may even lead to expulsion of the guilty students from the College.

The College has constituted the following committees for maintaining higher degree of discipline and gender parity.

1. Anti-Ragging Committee
2. Anti-Ragging Squad
3. Disciplinary Committee
4. Gender Sensitization Cell
5. Placement & Career Guidance Cell
